While making his flight in a balloon here July 4th the aeronaut released two geese, carried up with him, one flying east and the other west. They came down safely and were caught and restored to their owner. A dispute has arisen as to when they were released. Whether before or after.

We have turned our law books over to the dirt doblers, and from the noise they make they will soon be ready for practice.

A FRIEND'S ADVICE

Woman Saved From a Serious Surgical Operation.

Louisville, Ky.—"For four years I suffered from female troubles, headaches, and nervousness. I could not sleep, had no appetite and it hurt me to walk. If I tried to do any work, I would have to lie down before it was finished. The doctors said I would have to be operated on and I simply broke down. A friend advised me to try Lydia E. Pinkham's Vegetable Compound, and the result is I feel like a new woman. I am well and strong, do all my own house work and have an eight pound baby girl. I know Lydia E. Pinkham's Vegetable Compound saved me from an operation which every woman dreads."—Mrs. NELLIE FISHBACH, 1521 Christy Ave., Louisville, Ky.

Everyone naturally dreads the surgeon's knife. Sometimes nothing else will do, but many times Lydia E. Pinkham's Vegetable Compound has saved the patient and made an operation unnecessary.

If you have any symptom about which you would like to know, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice given free.

Young Men

If under age or physically unfit for army, now's your greatest opportunity to enter business. For young men subject to military service we are agreeing to refund tuition if called to army. Write us about this unusual situation. We've made a study of it and are able to offer advice.
